**RE:** Thank You !

Your letter dated August 25, 2004 to inform us that our firm has transitioned from the "emerging" list in your program to the "small" firm list was a great reminder for me. It reminded me of the outstanding opportunities C. C. Serv. Inc. and it's employees have had through the Minor Construction Program. You have been proactive, extremely helpful and understanding in your efforts on our behalf. Your Program has helped our firm grow and become more successful. I am extremely grateful for all your effort. Thank You!

Respectfully,

*Joseph P. Clancy*
